TO: BEHAVIORAL HEALTH SYSTEM STAKEHOLDERS

FROM: ROSIE ANDUEZA,

Program Manager, Operations Unit

As part of a multi-faceted project, the Idaho Department of Health and Welfare, Division of Behavioral Health, is planning to construct a website dedicated to Trauma Informed Care. As stakeholders and subject matter experts in Idaho's Behavioral Health System of Care, we would like your input.

We want to make this website user friendly and accessible for both providers and consumers of Mental Health and Substance Use Disorder services. By participating in the short Trauma Informed Care Website Survey, you can help guide us as we develop this website and its attached resources.

We would like to gather as much input as possible, so please forward this communication and the survey link as you feel is appropriate. The survey is anonymous. You are not required to submit any personal information to complete it.

Click on this link to access the survey: https://www.keysurvey.com/f/521989/1dac/. Please submit your survey responses by June 19, 2013.

If you have any questions about the contents of the survey, please contact Bobbi Blankenship by e-mail at BlankenshipB@dhw.idaho.gov or by phone at (208) 332-7238. If you have any technical questions about the survey, please contact Jon Meyer by e-mail at MeyerJ@dhw.idaho.gov or by phone at (208) 334-6682.

Sincerely,

ROSIE ANDUEZA, Program Manager
